INTRODUCTION

The salient features of **Gemini Metal Corporation** (an ISO 9001:2008 company) which differentiates it from its competitor are a synergy of the following factors:

Price,

Product range,

Quality Management at every level,

Brand Value,

Customer satisfaction preceding the profit motive, supported by ingrained intrinsic value.

Incorporating the above, Gemini Metal Corporation established **Glaze "SS" A Jindal Product** as the Brand name denoting the variety of kitchenware it offers.

The products are designed with our complete understanding of the product's use, our design process draws on decades of experience in providing kitchenware that are both durable and elegant. Sculpted from the most flawless Stainless Steel available, the design and manufacturing of our products represent the very finest expression of our commitment to excellence. Emphasizing on quality, mass production and timely delivery, 'SS' is a highly reputed and respected brand in India with an impressive image in the domestic market.

In 2001, Gemini Metal Corporation set footing in the **Raw material sector** thus expanding horizons throughout the stainless steel industry. We have various grades and thickness stainless steel sheets coil and circles to offer.

(To know more about doing business with us kindly reach out to us.)

HISTORY

Gemini Metal Corporation was founded by Mr. Murari Lal Jindal in the year 1986. Gemini Metal Corporation was an idea gestated in the mind of the founder putting in impeccable efforts and intellect, gathering experience and knowledge working in similar industry. Seizing the potential opportunity of the growing market Gemini Metal Corporation was established with a seed capital of Rs.2,32,000. Being a risky venture the company in its initial years wallowed in hardships but with a primary objective of providing quality service soon emerged as a worthy competitor in the field of Stainless Steel Kitchen wares.

Today the proprietorship baton has been passed on to Mr. Gaurav Jindal, son of late Murari Lal Jindal, who has not only upheld the status but also broadened its horizons and helped GEMINI METAL CORPORATION grown by leaps and bounds.

VISION

To be a brand, which increases the satisfaction of our customers, their kitchen needs, supports India`s efforts to enhance its position in the world, contributes to the national and global economy in the long run and globalizes commercial life with the kitchenware retail sectors.

MISSION

To produce with optimum performance in the kitchenware sector and to become an international brand, by improving the production line and human resources and investing in innovative and rational projects.

Latest technology & automated machinery.

Standardised and safety approved.

Vast variety and range of products.

OUR PRODUCTS

Stainless steel is probably the best suited material for utensils due to safe, non-corrosive bright finish, etc. advantages and is a preferred material for majority of cooking, dining and other utensil items. Utensils may be classified as cooking utensils that are put on fire i.e. cooking containers, or Kitchen processing utensil and Dining utensils consisting of containers and cutlery items and finally the food item storage containers.
